ADVANCED PRACTICE NURSE/NURSE PRACTITIONER AND PHYSICIAN ASSISTANT CONSENT

The Holiner Psychiatric Group would like you to know that we employ Advanced Practice Nurses, also known as Nurse Practitioners, and Physician Assistants to assist us in a team approach to deliver our high quality of medical care.

An Advanced Practice Nurse (APN)/Nurse Practitioner (NP) and Physician Assistants (PA) are mid-level practitioners who have received advanced education and training in the provision of health care. Advanced Practice Nurses/Nurse Practitioners or Physician Assistants are not doctors. They can however, diagnose, treat, and monitor routine and complex disorders.

If you are seen by an APN/NP or PA, your doctor will review your care with the APN/NP or PA as part of the care plan.

I have read the above and understand that in this practice a team approach is used, with my unique needs presented and discussed with one or more physicians in the development of my care plan. I also understand that typically one physician will direct my overall care, but that from time to time I may be seen by any or all the practitioners in this practice, including a APN/NP or PA.

I hereby consent to the services of an Advanced Practice Nurse/Nurse Practitioner or Physician Assistant for my healthcare needs.
I understand that I can refuse to see the APN/NP or PA and request to see a Physician.
I understand that this may require my appointment to be rescheduled.

Please check this box to acknowledge that you have read and accept the above.
