

The Holiner Psychiatric Group located in Dallas, Texas seeks a Psychiatric Nurse Practitioner to join its well-established six physician psychiatric practice that treats adolescents and adults. The NP/PA will work in collaboration with their licensed, supervising physician. The successful candidate will evaluate, diagnosis and make treatment recommendations in conjunction with their physician.

The Holiner Psychiatric Group offers a competitive salary plus the following benefits:

- Medical insurance for employee (eligibility begins the first day of the month after 60 days of employment);
- Dental, vision, dependent coverage and supplemental insurance available for additional cost, paid by employee
- 401k Profit Sharing – contribution by employer (variable), employee may contribute after 1 year of continuous employment
- Vacation – 2 weeks per year
- Sick leave – 6 days per year
- Continuing education – 2 days per year
- Up to 500.00 towards CME annually
- Holidays – 8 paid holidays
- Yearly Malpractice Insurance - paid by employer (approximately \$1,000.00)
- DEA/DPS Fees – paid by employer (approximately \$551.00); hospital application fees paid by employer (approximately \$300.00)
